

Why be a school librarian in the 21st century?

1. Home
 - a. Do schools need libraries and librarians?

2. The Children
 - a. Information Literacy (why children need it)
 - b. A chance to succeed (libraries influence on underprivileged schools)
 - c. Beyond Academics(what else the library offers)

3. The future
 - a. Higher education (how primary school libraries effect highschool/college students)
 - b. Job Force (skills taught young will be needed through life especially as technology grows)

4. Doing what I love
 - a. Helping others find information
 - b. Helping others transform and use the information gained

5. About Me
 - a. Influence fiction had on me
 - b. Influence non-fiction had on me
 - c. Influence of the internet and my information gathering
